

Widemouth Bay holiday Village is situated in the beautiful part of North Cornwall and has wonderful views of the Atlantic Coast and countryside, around 500 meters from Widemouth Bay beaches. With easy access from the main A30/A39. Our Village was built in the mid 60's of around 75 Bungalows with major improvements throughout the 70's, 80's & 90's & millennium years when further bungalows were added to make a total of around 95 Bungalows to-date.

Throughout the years the vast majority have been sold off to individual owners so now 95% are privately owned.

Hence over 20 years or so ago WBHVOA was born, we are a non profit making Organization and set-up to look after the owners of the bungalows and their investments.

We meet twice a year to discuss any issues owners may have and together make our Village a more pleasurable place to stay for the owners & anyone on holiday.

Some owners let their bungalows privately others prefer to allow site service to let for them while a few just keep them for them-selves and close relatives this what gives a peaceful and tranquillity atmosphere in our holiday village where we have people coming back year after year for their holidays.
