

Dogs at Widemouth Bay Holiday Village

At Widemouth Bay Holiday Village owners and their guests are able to bring their dogs. However, we do have a few guidelines to keep other guests feeling safe and comfortable around the Holiday Village.

- Please use a poopa-scoop and clean up after your dog, there are a number of dog bins provided.
- Please ensure that your dog wears a collar at all times.
- Please keep your dog on a lead at all times. You will appreciate other guests can be frightened by loose dogs, however well behaved they are.
- Please ensure that your dog is kept under the control of a responsible **adult** at all times.

Our village is very fortunate to have a “Dog walking area” on the north side of the site, at the bottom of the hill.

Please note that only owners and their visitors are able to bring their dogs, so please ensure that your guests are aware of these guidelines. Visitors who book through Hoseasons or the site owners are not able to bring their dogs, this helps ensure that the site does not have too many dogs at any one time.

Beaches

In widemouth there are two beaches – north and South. The South is the closest beach to the holiday village and is dog friendly.

For other dog friendly beaches look at:

Dog friendly pubs – the Widemouth Bay Holiday Village bar, on site, welcomes well behaved dogs with their owners in the bar and concert room.
